

# Detox Tea: Pure Graviola Herbal Tea Blend

---

## • Product Description

Pure Graviola Original Herbal Tea Blend with Cinnamon, Coriander and Fenugreek... Sip the toxins away. A deliciously detoxifying experience. In each cup, the natural health benefits of the graviola superfood are complemented by three of nature's natural cleansers. Agravitae Detox herbal tea releases the powers of cinnamon, coriander and fenugreek to help aid healthy digestion and leave you feeling rejuvenated from the inside out.

14 Count: Individual 2g Sachets (28g)

## • Benefits

Published articles have said that drinking graviola tea may:

- Promote healthy digestion
- Prevent constipation
- Fight bodily inflammation
- Stabilize blood pressure
- Help improve heart health
- Boost immune system
- Help body flush out toxins

## • Highlighted Ingredients

**Cinnamon** – Contains many antioxidants that can cleanse the body by helping get rid of toxins, boost metabolism and improve digestion.

**Corriander** – A great metabolism booster that aids in naturally cleansing your body of impurities.

**Fenugreek** – Loaded with fiber and gut-friendly compounds that may help flush out waste.

## • Directions

Steep 1 sachet in filtered, near boiling water for 4-6 minutes. Remove sachet and enjoy hot.

For cold brew, steep in filtered, near-boiling water for 30-60 seconds, add filtered room temperature water. Cover and store in the fridge. Serve over ice and enjoy.
