SUMMIT RECAP NEWSLETTER

MAY 2024 EDITION

AVINI HEALTH[®]
ADVANCES IN NATURAL HEALING

Message from
Neil Roth, CEO

*"...we can't duplicate
the excitement,
electricity, and
camaraderie that
we had there!"*

Another successful Summit is complete!

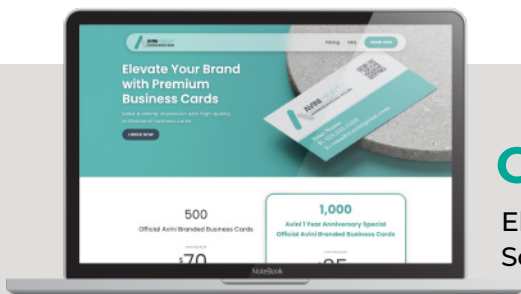

From April 26th-27th, 450 Distributors and guests got together at the Horseshoe in Las Vegas for the most successful Summit to date! This resulted in our best month ever, and May has continued that trend. Avini is on fire!

This month's newsletter will provide you with a recap and a glimpse at what occurred at this historic event. But we can't duplicate the excitement, electricity, and camaraderie that we had there!

Starting on June 22nd in Idaho Falls, ID, we will begin our Avini Vision Tour with myself, Rik Deitsch, Doug Dickey, Michael Polak, and special guest, MJ Durkin. The event will be from 9 AM to 4 PM with lunch included and will cost **\$20 each** for Distributors and spouses; guests are free. Seats will be limited, so please go to avinievents.com to purchase your tickets and see the rest of the tour that is planned through November of this year! This is as close to the Summit as you will get for the remainder of this year!

Lastly, the 50% More Recruitment Bonus will last through June 1st, so don't miss out!

PLEDGE OF ALLEGIANCE

The Summit began on Friday in spectacular fashion with the Army Band soloist, Master Sergeant Antonio Guiliano (a Distributor!), singing the Star Spangled Banner. He kicked off our conference on Saturday, as well!

CEO INTRODUCTION

The Star Spangled Banner was followed by Neil Roth, CEO, talking about how Avini is doing as a business, and answering the question: **“WHY AVINI?”**

NEW PRODUCT INTRODUCTION Plus CardioCare and Plus Mind & Vision

Our new products were Introduced by Rik Deitsch. You can access a presentation on Plus Mind and Vision at <https://vimeo.com/942493403>, and a presentation on Plus CardioCare at <https://vimeo.com/942484112>.

THAYNE SHIVELY AND CARTER TESTIMONIAL

A live testimonial by Thayne Shively and his son, Carter, on their experience with Avini products and autism. You can watch the full testimonial at <https://vimeo.com/945880688>.

PRODUCT SCIENCE PRESENTATIONS

Over the two-day Summit, those in attendance were treated to presentations on the science behind all of the **Avini Products by Rik Deitsch!** The information shared is invaluable to those who attended the Summit and the slides alone do not tell the whole story or compare to the commentary by Rik on each product.

AVINI ADVANTAGE APP PRESENTATION

Participants at the Summit were also treated to an in-depth presentation on the Avini Advantage APP that is available to all of our Distributors for **FREE!**

MJ DURKIN MENTAL SUCCESS TRACKS PRESENTATIONS

One of the highlights of the Summit was the presentation by MJ Durkin on his new technology for Mental Success Tracks that will be an Avini exclusive in the network marketing industry. This program has begun to roll out and more information will be available soon. The bottom picture is of Navy Seal Team 7 – the first Avini group to finish the program in beta testing.

APRIL DISTRIBUTOR *Success*

This is where we get to brag about YOU! Distributors are what make AVINI Health possible, and we want to celebrate each and every success with everyone.

Paul & Lisa Stowers of Michigan

WHITE DIAMOND APPRENTICE

"When Lisa & I began our health journey after being introduced to Avini's Cell Defender product a little over 3 years ago, little did we know or could have ever imagined how many lives that would be touched, both in health and finances, as we simply grew passionate about sharing Cell Defender and Avini's amazing products!

We truly believe that our health is an investment, and not an expense!

Not only has Avini put together a line of products that are truly worth investing in for better health in this modern, polluted world we live in, but it's Avini's founders that make it one of those very rare opportunities in life that you realize... Avini

will change the world, and you have no choice but to join in the crusade of sharing Avini Health with everyone who will listen!

In over 30 years in the industry, both in the field and the corporate side of the business, we have never seen a company and their founders hold the highest level of integrity and excellence in everything they do, setting the course for unshakeable success in years to come!

What we have learned about success along the way is not a testament to the absence of failure, but rather a triumph over it! Each setback we have encountered has been a lesson in disguise, a stepping stone on the path to our goals. Embracing past failures as

invaluable experiences, we forged ahead with renewed vigor and clarity. Today's achievements are realized, not despite the challenges we have faced over 32 years of marriage, but because of them. They are a reminder that perseverance, coupled with the wisdom gained from each fall, is the true hallmark of success.

We are truly humbled and blessed to be a part of Avini Health, with such an amazing Avini Team & family changing lives, both in health & wealth, one precious soul at a time!"
