I Refer 3 & It's Free

As a customer in our Eaconomy™ ecosystem you have an opportunity to earn a free membership, here's how. When you order any of our life changing products and services and become a customer, we give you your own website and customer portal so you can refer friends, and get free products and services.

In order to earn a free membership, you only need to refer three active customers on either the Elite Pack or the Elite Pro Pack. Once you've referred three active customers with ANY customer pack, you'll be able to receive your free membership.

If at any moment one of your three active customers decide to cancel or not remain active, you will then lose your free membership.

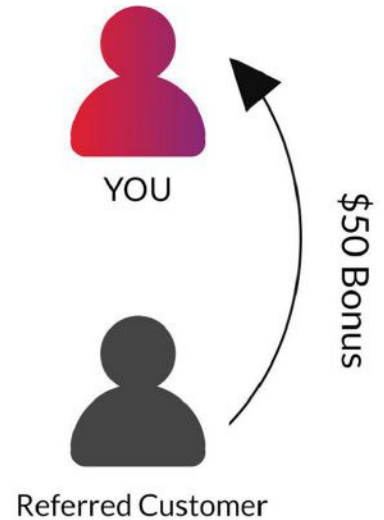

If you decide that you are in love with the services and your personal results, and you are interested in doing the Eaconomy™ rewards plan business you are able to purchase the \$29 affiliate marketing activation kit to become an Eaconomy affiliate.
