

PrimaSkin

PrimaSkin Product overview

A performance blend of nano nutrients delivered in seconds

We've solved a problem that's been around since the first person said "skin care", and that's absorption! PrimaSkin's breakthrough technology nano-sizes critical ingredients, making absorption fast and effective. Our spray delivery system makes it easy to apply PrimaSkin multiple times a day under or over makeup.

Superior absorption through Hydrastat Nanotechnology

PrimaSkin uses our proprietary HydraStat Nano-Technology to break down our ingredients into tiny particles, making it easier for them to navigate deeper into your skin, increasing the benefits of the same amount of product! We get delicate ingredients where you need them for incredible results faster than ever before.

Key Ingredients

Glutathione is the body's master antioxidant that can neutralize free radicals, and may help restore your skin to its most healthy color.

Curcumin acts as an antioxidant, and may dry out blemishes smooth skin texture.

Collagen, also known as "the fountain of youth," assists with elasticity, moisturizing, and reducing the appearance of fine lines and wrinkles.

Hyaluronic Acid can hold up to 1000x its weight in water, making it the secret ingredient for assisting with ultra-hydrated skin.
