

DOMINICAN REPUBLIC MARCH 21-26, 2023

There's no better reward for all your hard work than a lingering sunset, rejuvenating tropical breeze, and the satisfaction of a job well done. In 2023, Q Sciences is headed to the Dominican Republic — and we're unlocking even more ways to qualify for this trip of a lifetime!

QUALIFY WITH CUSTOMER VOLUME:

- Throughout the entirety of 2022, Ambassadors who accumulate 24,000 CV will be invited to the Dominican Republic, all-expense-paid with Q Sciences in 2023!
- Customer Volume accumulated from Bulk Sales orders do not count toward qualification.
- Ambassadors must be active with 100 PV each month from start date to qualify.
- Ambassadors must reach a minimum of 1,000 CV in January 2023 to qualify.

AMBASSADORS WITH A START DATE PRIOR TO 2022 WITH A LIFETIME RANK UP TO GOLD:

- Ambassadors with a lifetime rank up to Gold must reach the rank of Platinum and maintain their new lifetime rank of Platinum for two consecutive months in 2022.
- Ambassadors must reach the rank of Platinum again in January 2023 to qualify.

AMBASSADORS WITH A START DATE IN 2022:

- Ambassadors with a start date in 2022 must reach a new lifetime rank of Gold and maintain their new lifetime rank of Gold for two consecutive months in 2022.
- Ambassador must reach the rank of Gold again in January 2023 to qualify.

AMBASSADORS WITH A LIFETIME RANK OF PLATINUM OR HIGHER:

- Ambassadors with a lifetime rank of Platinum or above must sponsor a Gold Ambassador through the Enrollment Tree in 2022.
- New Gold Ambassadors must reach and maintain their new lifetime rank of Gold for two consecutive months, plus achieve the rank of Gold again in January 2023.
- New Gold Ambassador must have a start date in 2022.
- The sponsoring Platinum Ambassador qualifies by reaching their lifetime rank of Platinum or above and maintaining it for two consecutive months in 2022. Sponsoring Ambassadors must also achieve their lifetime rank of Platinum or above in January 2023.
