

Q CHILL Terpene Elixir

GOOD VIBES

Calm the mind and bring out your social side.*

Nature: Terpenes are active compounds found in plants that provide unique benefits you can feel. Q CHILL is a blend of specialized terpenes and added ingredients designed to support stress relief and mood.*

Science: Next-gen technology that maximizes the benefits of nature's greatest elements. This technology customizes plant extraction and encases the desired terpenes in liposomes for easy absorption.*
